FAQ

1. Is this Kailash Manasarovar Yatra suitable for beginners?

Yes. The helicopter-assisted route and acclimatization days make it suitable for first-time pilgrims with reasonable fitness.

2. Do I need prior trekking experience?

No technical trekking experience is required, but participants should be prepared for long walking days during the parikrama.

3. Is medical support available during the yatra?

A qualified high-altitude medical doctor is stationed at Lake Manasarovar, with oxygen and first aid available throughout.

4. What is the maximum altitude reached on this trip?

The highest point is Dirapuk at approximately 4,860 meters.

5. Are fixed departure dates available for 2026?

Yes. Multiple fixed group departures are scheduled from May to September 2026.
